A Porsche 911 is a Porsche 911, regardless of the generation it belongs to and we're here to give you an example of that. We are talking about a 996 generation 911 GT3, which has recently received some tuning attention and now looks extremely fresh. The vehicle has been gifted with a set of Work rims, that come in a 20-inch size and use 305/25/ tires for the rear axle and 255/30 tires for the front one. As for the stretching me... [...]
