Since BMW recently released the facelifted version of the 7-Series, it was only natural that the Alpina version of the sedan would follow and now we are here to show it to you. The 2013 Alpina B7 is making its online appearance ahead of its public debut at the Pebble Beach Concours d'Elegance. Compared to the factory stock 7-Series, the B7 uses over 30 new parts, such as a restyled front fascia that relies on LED technology for ... [...]
