

Majestic Range Rover Sport on 24-Inch Wheels [Photo Gallery]

20/06/2012 11:48 by admin

Majestic, powerful and imposing - these are all words that describe the Range Rover Sport. Some say it's not a proper Range Rover, but a line in the sand had to be drawn, and this is a vehicle that can still do most of the jobs its bigger brother can, but with added city usability. Still, if a tight turning circle and a decent ride over bumps is what you want, then adding a set of massive alloy wheels isn't a good idea.... [...]
