

## Vorsteiner Says Goodbye to BMW M3 via GTS5 Front Bumper

20/06/2012 12:49 by admin

Celebrating the final production of the famed BMW M3 series we have designed this special commemorative edition for the final farewell to this iconic car. This new limited edition front bumper Made its debut at Bimmerfest on mineral white paint. Made for all the E9X M3, become the first few people that will be able to see its live debut. A total of 75 units will be hand made to a lucky group of customers. The E92 BMW M3, with its marvelou... [...]
