

Fiat 500C by Wrapstyle and Carlex Design

20/06/2012 12:49 by admin

Can a car really be cheap and cheerful. Probably only a few can, and the main one is the retro-styled Fiat 500. While we'd hesitate to call it a luxury automobile, it's still up there in terms of colors, fit and finish. But where there's a need, there's also people willing to customize. These are the first photos of the Fiat 500 convertible prepared for this year's Tour de Pologne. It was...[...]
