

Lamborghini Gallardo Blue Chrome Wrap

20/06/2012 13:49 by admin

Car wraps are becoming the new must-have for people with means and expensive car. A supercar that would have been ignored due to its age can now turn heads once again if finished in metallic orange or bright chrome. Most people will say that it's too vulgar to turn your car into a big mirror that reflects the sun and everything around it, but we see it as a way to express oneself with finishes that never been done before. [...]
