

## Ferrari 458 Italia iPE-Innotech Exhaust Presented [Video]

20/06/2012 14:49 by admin

You are looking at a Ferrari 458 Italia that has fallen into the hands of Novitec Rosso, but, out of all the features of the supercar, there's one that stands out: it's iPE-Innotech custom exhaust. The adjacent clip allows us to see the system at work and offers us two sides for this story: its soundtrack allows our emotional side to enjoy the new voice of the car, while at the level of decibels brings us the actual fac...
