

## Mercedes CLK63 AMG Black Series on Vossen Wheels [Video]

20/06/2012 14:49 by admin

The Mercedes CLK63 AMG Black Series is not part of the fresh wave of exotics (in fact, its successor, the C63 AMG Coupe Black Series, has already been sold out), but this doesn't mean that the car doesn't get attention any more. An example of the vehicle has recently been touched by Vossen Wheels, which has fitted it with a set of goodies. The US wheel specialist gifted the car with its VVS-CV3 rims, which use a concav...
