

Gold Chrome Nissan GT-R

20/06/2012 14:49 by admin

Paint is dead, as apparently shiny gold wraps are going to make every car we know shine like a pretty gold penny. Contrary to what you may believe, this wrap comes not from the land of endless riches Dubai, but from WrapStyle a company based in Europe that has done more chrome wraps than you would believe. We have to admit that the Nissan GT-R looks very good in shiny chrome, just like one of those [...]
