

Mercedes CLS63 AMG Wrapped in Chrome by DBX [Video]

22/06/2012 16:20 by admin

Forget about matte black, forget about gold, chrome is the ultimate vinyl foil wrap for cars these days. You can turn a boring old citycar, any VW or Skoda, into one of the most awesome vehicles on the road if you chrome it. But when you start out with something good, the changes make it spectacular. We've already shown you a silver surfer of a [...]
