

This Rolls-Royced Nissan Patrol is So Wrong in So Many Levels?

25/06/2012 10:53 by admin

When you think about Dubai and cars, you probably imagine exotic Italian coupes and über-luxurious limousines and crossovers, some of which possibly draped in shiny chrome foil wraps and tuned by some of Europe's most unapologetic tuning brands. But there's also another side to Dubai's automotive scene, one less ritzy but equally gaudy at times.[...]
