

Lumma Design Previews New Styling Package for BMW M6 Coupe

25/06/2012 10:53 by admin

Leave it to Lumma Design to take a rather understated sports coupe like the BMW M6 F12 and transform it into something that looks like it would feel right at home racing at the DTM (Deutsche Tourenwagen Masters or German Touring Car Masters in English). Then again, looks can be deceiving as Lumma Design's tuning program for the M6 Coupe is strictly cosmetic, at least for the time being.[...]
