

## Porsche 911 Turbo Cabrio on HRE Wheels

25/06/2012 15:58 by admin

The Porsche 911 is going through a very interesting period right now, as versions of both the new 991 generation and the outgoing 997.2 generations are out on the new car market. Let's zoom in on the Turbo - neither the coupe, nor the cabrio have received the new generation models, but this doesn't mean that they're receiving less attention and we're here to give you an example of that. We are talki... [...]
