

## Porsche Panamera on Modulare Wheels: Nighttime Shoot [Photo Gallery]

25/06/2012 16:58 by admin

Modulare Wheels recently got to play with a Porsche Panamera and the aftermarket developer decided to take the vehicle out for a play session at night - let's see the results, shall we? The company took a 2012 Porsche Panamera S and fitted it with a set of 22-inch Modulare B1 Forged monoblock rims, which come in a size of 22x9.5-inch size up front and 22x11-inch at the back and are wrapped in Pirelli P Zero Nero 265/30/22 and 31...
