

Copper MINI Cooper S Wrapped

25/06/2012 19:59 by admin

The one biggest advantage with vinyl wraps for cars is that you can go for a matte finish that would otherwise be impossible to achieve with paint. However, if you feel like standing out and blinding other motorists with your shiny car, there's always chrome. So you've got yourself a blue chrome Gallardo or a silver chrome Mercedes CLS to cruise around town in. But what do you get your girlfr... [...]
