

## FAB Design McLaren MP4-12C Treso Spotted in London [Video]

26/06/2012 13:09 by admin

The McLaren MP4-12C 'Treso' by FAB Design is one of the rarest cars in the world, with only 5 ever built. It's also not a bad looking modified car, a rarity when it comes to supercars, as most are distastefully fitted with huge rims and hideous body kits. The wide body kit fitted to the Treso suits the car's lines really rather well, with huge gaping intakes on the front, the car looks set to suck u... [...]
