

Ferrari 458 Italia in Matte White with ADV.1 Wheels [Video]

26/06/2012 16:10 by admin

The Ferrari 458 is one of the hottest supercars you can drive at the moment, but, of course, everybody is well aware this, so when you buy one, you can't help but think that you need to do something in order for your 458 to stand out, just in case you meet another unit of the car one day. So, what could you do? Well, you don't have to go too deep with the customization if the looks are what you're after. A fr... [...]
