

Jaguar XF Rides on ADV.1 Wheels [Photo Gallery]

26/06/2012 18:11 by admin

The Jaguar XF has received a mild facelift for the current year, with the vehicle incorporating a set of features that used to belong to the tuning world in the past: LED daytime running lights and a "bad boy" look. Thus, the aftermarket developers have become drawn to the car and want to show Jag that there's still place for them at the XF table. To be more specific, we're talking about Advance One W... [...]
