

ADV.1 Wheels for Aston Martin V8 Vantage [Photo Gallery]

27/06/2012 11:18 by admin

Playing with the styling of an Aston Martin is no easy task, as any slight exaggeration might upset the elegance balance of the design, but this is exactly what motivated Advance One Wheels to abduct a V8 Vantage and force it to wear a set of its goodies. The entry-level Aston was fitted with ADV5.0TS SL (track spec super light) rims and you can enjoy the mix between the British and the American designs in the gallery below. &... [...]
