

West Coast Customs: Matte Red Ferrari California on Asanti Wheels [Video]

27/06/2012 13:19 by admin

There are certain people that complain the Ferrari California needs a bit more attitude to be a real Prancing Horse and certain companies are extremely happy to hear this. No, we're not talking about Lamborghini, but about tuners, who are more than happy to step in and make the Cali a bit more special. The latest example of this comes from the US, with the vehicle being touched by West Coast Customs. Many consider that Ferrari s... [...]
