

Wald International Turns Toyota's JDM Vellfire Minivan Into a Lexus of Sorts

27/06/2012 23:21 by admin

Among the many models Toyota keeps for select markets in Asia is the Alphard luxury people carrier and its slightly sportier-looking twin, the Vellfire. These two models are the latest vehicles to fall in the hands of Japanese tuning firm Wald International. Perhaps the more interesting of the two styling tunes is the one Wald prepared for the Vellfire, which in factory trim, features a different fascia than the Alphard along with an aero kit.[...]
