

World's Fastest Audi S3 Beats World's Fastest Audi S4 [Video]

28/06/2012 12:58 by admin

A little bit earlier, we gave you a video that showed the fastest Audi S4 in the world, with the vehicle producing over 800 wheel horsepower and posting a quarter mile time of 9.61s. That took place in the US, but Europe now strikes back, with, of course, a smalle... [...]
