

## D2Forged CV3 and MB3 Wheels for Porsche 911

28/06/2012 17:59 by admin

US wheel specialist D2Forged has recently made a new present to Porsche owners, adapting its CV3 and MB3 rims to fit the 911. The new goodies are suitable for both the outgoing 997 and the new 991 generations of the rear-engined coupe and this seems like a fair choice, since models belonging to both can still be ordered as new cars. DsForged offers the new wheels in sizes ranging from 18 to 21 inches and explains that it has removed the e... [...]
