

Rolls Royce on Savini Wheels Feast [Photo Gallery]

04/07/2012 10:23 by admin

US aftermarket developer Savini Wheels has made an obsession for playing with exotic rides and the company recently put together a Rolls Royce feast and wanted to share it with us. Thus, it released an image gallery that shows its goodies fitted to vehicles that are wearing Rolls Royce badges. We're inviting you to check these out in the gallery below, but before you do, we have to remind you that gifting a Rolls with a set of wheels... [...]
