

Je Design SEAT Ibiza Facelift [Photo Gallery]

04/07/2012 10:23 by admin

When SEAT released the facelifted version of the Ibiza, we were pretty sure that Je Design, a tuner that is obsessed by the Spanish automotive producer, would give it its own flavor and we're here now to show it to you. Je Design has gifted the Ibiza with goodies that target its exterior, as well as its tech side and we shall start with the first. The tuner offers a front bumper add-on element, side skirts, a rear diffuser that ... [...]
