These days, convincing the Nissan Gt-R's VR38DETT 3.8-liter twin-turbo engine to deliver 800 hp or even more is nothing new. However, asking the car to make all that power and still be suitable for daily use is extremely difficult. Well, this didn't stop US tuner Switzer Performance from releasing a 1,000 hp GT-R, which also promises to be good as a daily driver. Dubbed the Ultimate Street Edition, the car is a&rdq... [...]
