

Slammed Lexus IS-F Looks Crazy [Photo Gallery]

04/07/2012 12:25 by admin

The US has a culture for slammed rides, but when we're talking about an ultra-lowered Lexus IS-F, the interest reaches a sky-high level. The white IS-F in the adjacent image is the perfect example of a clean-look, slammed performance car. The connection to the road is now established via Tein Comfort (the name is ironic, isn't it) coilovers, as well as a set of Stance SC-5ive wheels, which use a 20x9-inch size up from...[...]
