

Aston Martin Vanquish on ADV.1 Wheels

04/07/2012 12:25 by admin

Yes, we know, this is not the new Vanquish, but we don't care - a Vanquish rolling on ADV.1 Wheels looks mind-blowin regardless of the year when it was launched, so we'll go on and share this with you. Advance One Wheels fitted the car with ADV08TS (Trak Spec) rims, with the black shade used on them being a perfect partner for the grey paint on the car. The simple design of the rims matches the elegant lines of the car, so ... [...]
