

Nissan GT-R with Akrapovic Exhaust: Sound Explosion [Video]

16/07/2012 10:24 by admin

Slovenian exhaust specialist Akrapovic has a special ingredient for its goodies: passion. This has to be the reason for which when you gift a supercar or a sportscar with an Akrapovic exhaust, it develops a new personality. This is also the case with the Nissan GT-R and we've brought a video that can prove this. The clip, which has been filmed by a camera that stood just a few inches from the tailpipe, allows us to enjoy the ent... [...]
