

Mercedes E63 AMG in Mint Green Looks Crazy

16/07/2012 11:24 by admin

The Mercedes E63 AMG is an extremely pleasant car to drive, as it has a huge bouquet of assets to offer to the person who gets behind the wheel, as well as to the passengers. However, many owners feel the need to upgrade the look of their cars, but without turning to the wide/massive/extra-aggressive tuning parts. Of course, a color change, be it achieved through a wrap of a re-spray is the answer here and we've got an example t... [...]
