When you have to fit a car like the Mercedes CLS63 AMG with a new set of shoes, you know that you've got a difficult task on your hands, but this only brought some extra motivation for the owner of the car in the adjacent images. The vehicle was gifted with a set of ADV.1 wheels, which come in a size of 20x9-inch for the front axle and 20x11-inch for the rear one and wear 255/30 and 305/25 tires, respectively. The connection to ... [...]
