

Wald International Lexus CT 200h Is Insane [Photo Gallery]

16/07/2012 17:27 by admin

When Japanese luxury carmaker Lexus made an economic and compact hybrid hatch called the CT 200h, they probably never thought somebody would tune it to make it look like it came back from a race. But that's just what the famous Japanese tuners at Wald International did, they created another hardcore hybrid out of this luxury hatch. Right now, it's only a body kit, but we could also be looking at engine upgrades once the... [...]
