

VW Beetle 2.0 TDI Tuned by ABT

08/08/2012 09:00 by admin

ABT Sportsline has recently launched a new modification program, this time targeting the VW Beetle powered by the 2.0 TDI diesel engine, which has received both technical and aesthetic goodies. The Beetle received an exterior kit that brings a more dynamic image and now rides on custom lightweight alloy rims, with customers being able to choose from sizes between 18 and 20 inches. The 2.0-liter four-cylinder die... [...]
