

Kahn Land Rover Defender XS 90 [Photo Gallery]

08/08/2012 10:01 by admin

When we visited British aftermarket developer Kahn, we found a special project in one of their offices, where the designers were playing with a wheels for the Land Rover Defender and the company's latest release reminds us of that. Kahn recently released its take on the British offroader, with this using the XS 90 designation and being offered under Kahn's Chelsea ... [...]
