

## Fifty Five 4Teen-FF Flow Form Wheels Released [Photo Gallery]

08/08/2012 10:01 by admin

US wheel specialist Fifty Five has become one of the most active companies in its field, as we've been constantly receiving new releases from them over the last few months and now it is time for a new one. Fifty Five is introducing the fresh 4Teen-FF wheels, with the name standing for "Flow Form". The rims use a complex five-spoke design, but this doesn't take things too far from the stling point of...
