

White Storm Panamera by Anderson Germany [Photo Gallery]

08/08/2012 10:01 by admin

Dusseldoft tuning company has kicked up the proverbial storm across the Internet with its tuning package for the Porsche Panamera, which is fittingly calls the White Storm. We’ll say right off the bat that there are things we don’t like about the car, but the white carbon fiber interior is simply amazing. The cosmetic changes are underpinned by Anderson’s body kit, which adds a vented hood, an aerodynamic apr... [...]
