

Porsche Cayman Does Stormtrooper Impersonation [Photo Gallery]

08/08/2012 11:01 by admin

In case you're not familiar with Star Wars wiki, we'll tell you that stormtroopers represent a clone army originally created for the Republic using the genes of a bounty hunter. They fell under the control of the sith lord and conquered the galaxy under Darth Vader. These emblematic warriors of the pulse rifle have also had an impact on the tuning world, as their costumes, or rather the colors of their costumes, created... [...]
