

Most Luxurious Ferrari: F430 Wrapped in Leather [Video]

08/08/2012 12:01 by admin

If you want to buy a luxury automobile, you can basically do this in two ways. Either you go for an exotic supercar, or you buy a big Bentley or Rolls, filled with leather from a hundred cows hides. But why can't you have both? This car needs no introduction, as it's already famous in the luxury car business. It's the Ferrari F430 that's been wrapped in real leather by the French company Dartz. It m... [...]
