2012 is definitely the best year to be a Lexus fan. The new RX looks really good. The new LS sedan is even better. But the new GS sedan is a million times better looking than everything. It's the car that originated the whole spindle grille trend, and it was designed from the ground up to be light and sporty. We will admit admit that from the side, it looks a bit like the E60 BMW 5-Series. It's even got its own interpr... [...]
