

## Black Ferrari Enzo on HRE Wheels

08/08/2012 15:03 by admin

Spotting a Ferrari Enzo is about as rare as bumping into the Pope at the supermarket. Only a few exist, and of those, even fewer are black. In this color, even Bruce Wayne will wonder why he got himself a new Lamborghini. This particular Ferrari Enzo might be ten years old now, but it's been customized in such a way as to attract all the attention. The project is a collaboration between HRE Wheels and a company called Supercar S... [...]
