

## The World's Fastest Subaru BRZ Is A Drag Strip Destroying, Turbocharged Rocket Ship

08/09/2012 23:08 by admin

[\\_\\_\\_\\_\\_](#) The Subaru BRZ and Scion FR-S twins are some of the most exciting cars for enthusiasts to hit the roads since the original Mazda Miata made it's debut. But one thing was missing from the equation. [...]
