

Bugatti Veyron Looks Like a Prom Dress in Tiffany Blue [Photo Gallery]

08/09/2012 23:08 by admin

A Bugatti Veyron came to Diamond Black Exteriors recently, wanting something that would bring new life to his car. Since his car is the 44th example of its breed and among the first delivered to the US, it's no surprise that he was getting tired with its look. The makeover chosen for the thousand horsepower hypercar included a vinyl wrap in Tiffany Blue for the doors, front fender, bonnet and the lifting wing. [...]
