

Mercedes ML63 AMG Tuned by RevoZport

06/01/2013 17:16 by admin

This brand new SUV might have lost most of its dirt-holding practicality, but now, it's not just cool, it's sub-zero. The 2012 Mercedes ML63 AMG has been tuned by RevoZport to resonate to the tune of 600 PS. Yes, that does mean that the 5.5-liter 525 PS engine now makes 75 ponies more, thanks to a carbon induction system, a complete titanium exhaust and an engine remap. The power is sent to t... [...]
