

Vilner Touches 2012 Nissan GT-R [Photo Gallery]

06/01/2013 17:16 by admin

When Bulgarian aftermarket developer specialist Vilner announced that it would play with a Nissan GT-R, the first thing that came to our minds was "perfect match". That's because Vilner handles interiors and this is exactly where Godzilla needs help. Vilner got its hands on a 2012 Nissan GT-R and gifted the cabin with leather and Alcantara that use black and crimson colors. The seats use a black finish but come with... [...]
