

Renown Sidewinder Wide Body Kit for Mercedes-Benz SL

06/01/2013 17:16 by admin

Californian tuner Renown Auto Style has recently launched a wide body kit for the Mercedes-Benz SL, with the package targeting the previous generation of the car. If extra width for your R230 SL is what you're looking for, you can be sure you'll find it with the Sidewinder package. That's because the body kit makes the car 10 inches (25.4 cm) wider than the already beefy SL65 AMG Black Series. It's ... [...]
