

Ferrari 458 Spider F66 Body Kit by Different Car [Photo Gallery]

06/01/2013 17:16 by admin

United Arab Emirates tuners and customizers Different Car have created a special body kit for the Ferrari 458 Italia that changes the look of the Pininfarina design completely. You could even say that the triangular shapes are similar to those on a 2013 Lamborghini Gallardo facelift. We have not been able to find any specific details about the car, so what you see is pretty much what you get with the project dubbed F66. The tuned Ferrari ... [...]
