

Tuned Mazda6 Trio Heading to Tokyo Auto Salon

06/01/2013 18:16 by admin

Japanese carmaker Mazda is heading to the 2013 Tokyo Auto Salon next month with three really cool versions of the new '6' sedan and wagon. The first of the three tuning concepts is the Mazda6 Racer that is based on the six-speed manual sedan. It and the Mazda6 Wagon Grand Touring are fitted with an aggressive body kit with sporty black accent pieces for the lower bumpers and side skirts. The ... [...]
