

Nissan GT-R Owner Claims He Blew \$250,000 On Shoddy Tuning

22/08/2013 15:39 by admin

Generally, when someone puts a quarter of a million dollars into an already expensive car like a Nissan GT-R, they don't expect the car to be a cluster of shoddy work and bad decisions, which is exactly what one enthusiast is alleging against a well known tuning company.
