

Hennessey's Velociraptor SUV Is The Truck For An Offroad Family Madman

22/08/2013 15:39 by admin

You've always wanted a Ford Raptor, but you've had two problems with it: It isn't powerful enough and the uncovered bed doesn't provide your family and gear with the protection it so sorely needs. Well, have no fear, Hennessey have come to the rescue with this: The 600 horsepower Velociraptor SUV. Holy crap.
