

Crazy Street-Legal Nissan GT-R Destroys The Drag Strip In 7.98 Seconds

26/08/2013 10:27 by admin

The R35 Nissan GT-R has taken on a second life as a sort of drag strip demon. It's a drag strip ringer, far faster than it should be. And this version from Alpha Performance, a street-legal one with 1,700 wheel horsepower, just ran the quarter in 7.98 at 186.14. Sweet merciful crap.[...]
